per cent. of the basic fare in the case of domestic bookings, and at the rate of ten per cent. of the basic fare in the case of international bookings of passage for travel by air.

The fees charged by the Registrar of Companies for the registration and approval of the name are compulsorily levied on B. A is merely acting as a pure agent in the payment of those fees. The rate of exchange for the determination of the value of taxable goods or services or both shall be the applicable reference rate for that currency as determined by the Reserve Bank of India on the date of time of supply in respect of such supply in terms of section 12 or, as the case may be, section 13 of the Act.
